Puttur, India ♦ +91 7760443868 ♦ krishna189097@gmail.com ♦ LinkedIn: Krishna Kumar ♦ GitHub: krishna-36

## OBJECTIVE

---

Seeking an internship or entry-level position to gain industry exposure and contribute to the development of robust and scalable applications.

## EDUCATION

---

<b>Vivekananda College of Engineering and Technology, Puttur</b> Bachelor Of Engineering, Computer Science	<i>Dec 2022 – Jun 2026</i> <b>CGPA: 7.01/10.0</b>
<b>Indraprastha Pre-University College, Uppinangady</b> Pre University (PCMC)	<i>Jun 2020 – Mar 2022</i> <b>Percentage: 77.5</b>

## TECHNICAL STRENGTHS

---

<b>Programming Languages</b>	Java (Intermediate), C (Intermediate), Python (Intermediate), HTML
<b>Frameworks/Libraries</b>	React.js, Flask, Raylib(C++)
<b>Web Development Tools</b>	VScode
<b>Version Control</b>	Git, GitHub
<b>Cloud</b>	Google Cloud

## PROJECTS

---

- **Video Summarizer** *Mar 2024*  
Developed an Video Summarizer that generates the summary of the video  
Tools Used: Flask,, OpenCV, Matplotlib, HTML, CSS, Javascript
- **Knee Osteoarthritis(OA) Grade Detection (ML)** *Mar 2024*  
Developed a deep learning model to classify knee osteoarthritis into Normal, Mild, and Severe using X-ray images.  
Tools Used:Python, TensorFlow/Keras, OpenCV, Matplotlib, Flask, HTML, CSS, JavaScript

## CERTIFICATIONS

---

Machine Learning Fundamentals Infosys SpringBoard  
Database and SQL Infosys SpringBoard

## INTERESTS

---

Game Development, CyberSecurity, Linux
